A photograph of a hotel room interior. A window with three panes shows a scenic view of a bay with a bridge and hills. A white air conditioning unit is mounted on the wall below the window. A bed with a white sheet and a brown blanket is visible on the left. The image is framed by a white border that tapers to a point at the bottom right.

Helping You Deliver Memorable Guest Experiences

MDM Commercial is a one-stop-shop for all of your hospitality-electronics needs. We pride ourselves on competitive pricing, high-quality products, and excellence in customer service. TELEVISIONS

From small, dresser-top HD sets to home theater-quality flat screens, MDM Commercial offers a complete suite of LG-branded television solutions. We can also custom design and build, or redesign and upgrade, your existing equipment to suit your hotel's needs. No system is too large or too small for our team of experts.

We can assist you with:

- Determining the best type, size and budget for your TV needs
- Pro:Idiom™ Digital Rights Management System unlocks secured premium content
- Proper mounting equipment, installation, and hardware configuration to ensure a high-quality viewing experience
- Testing and evaluation of your network and devices after installation to verify system performance
- Development and installation of High-Definition digital headend systems
- Two-year on-site warranty

DIGITAL SIGNAGE

Discover our suite of large format displays, which bring your business to the forefront of digital signage solutions. Use effective communications in reception areas, conference rooms and public spaces.

We can assist you with:

- Digital Wayfinding & Kiosks
- Video Wall Products
- LG SuperSign TVs
- Digital Signage Engage™ Content Management

AIR CONDITIONERS

For year round comfort with individual climate controls for guest rooms, more hotels, motels and resorts are choosing GE Zoneline® than ever before.

We can assist you with:

- PTACs
- Built-in air conditioners
- Vertical packaged terminal air conditioners
- Advanced comfort control and energy management
- Accessories and guest interfaces
- Installation and consultation

MICROFRIDGE

PREMIUM Space-Saving Microwave & Refrigerator Combos:

- 2.4 cu. ft. thru 10.3 cu. ft. refrigerators
- 0.7 cu. ft., 700-watt microwave oven with rotary dial controls and electronic touchpad controls
- Auto-Defrost
- Three, seven & ten - year warranty with on-site service depending on model

ICE MACHINES

Whether you're looking for a few machines to produce ice for the floor, or a heavy-duty restaurant-quality machine to serve your bars/restaurants, Manitowoc and MDM have you covered. Manitowoc machines represent the cutting edge of ice making technology and water-saving conservation. In fact, over 97% of Manitowoc's cube ice machines meet or surpass the energy performance standards set by CEE and Energy Star.
